God's Master Plan

To: My Sister, Buffy, Whom I'll Love Forever...

Why things happen...only God may know,
The pain I feel that hurt me so.
For He must need her more than me,
With these tears in my eyes it's hard to see,
How much He loved and adored her so,
For He never really meant to let her go.
Now she's back in Heaven where she was from the start,
She's not really gone, always alive in my heart.
As time goes by, someday I'll understand, how we all fit in God's Master Plan.

Love Always,

Bridget R. Sheppard
