Tributes and Memories

JC, you were my world
you meant everything to me.
The love I have for you now
will last eternally.

I miss your warmth, I miss your
strength,
I miss your lovely smile.
I wish I could see your face again
Even for a little while.

Thank you for your devoted love
that helps me through each day.
And for all the precious memories
that will never fade away.

I hope that you have felt at peace
since we said goodbye, in my heart
I know that we will meet again in
that sweet by-and-by.

Love you, Your Wife
Georgia Mae Tipps

Daddy, my heart is split in two.
One side filled with memories
the other side died with you.

I often lay awake at night when
the world is asleep. I take a
walk down memory lane with
tears on my cheek.

Remembering you is easy. I do
it every day but missing you is a
heartache that never goes
away.

I hold you near my heart and
there you will remain. Daddy
life goes on without you, but it
will never be the same.

Love you, Your Son
LaMarcus LaDarian Tipps
