

Your Hand

And I've got to understand
You must release the ones you love
And let go of their hand.
I try and cope the best I can
But I'm missing you so much
If I could only see you
And once more feel your touch.
Yes, you've just walked on ahead of me
Don't worry I'll be fine
But now and then I swear I feel
Your hand slip into mine.

When I Lost You

I wish I could see you one more time
come walking through the door
But I know that is impossible
I will hear your voice no more.
I know you can feel my tears
and you don't want me to cry
Yet my heart is broken
because I can't understand
why someone so precious had to die.
I pray that God will give me strength
and somehow get me through
As I struggle with this heartache
that came when I lost you.

*Love always,
Your Mom
& Stepdad*

In Loving Memory of a Special

Sister

Sister, since you passed away
life just hasn't been the same
I would move *heaven and earth*
to have you here with me again

The time we spent together
meant *the world* to me,
Your *laughter* and your precious smile
as we grew up so *happily*

I'm so *grateful* for the years we had
and the closeness that we shared
Your heart, so kind and thoughtful
I always knew you truly cared

You were a wonderful Sister
I miss you no end
But more than just my family
I've lost a very *special* friend

*Love Always,
Your Brother
& Sisters*
